Charles Treece sends out Everynow and Then in the opener.

Race Analysis

Terrace Island - Never was close to the early lead in last Fresno outing when six lengths behind the pacesetters after the opening quarter mile while failing to offer a rally. He drops in class while only making third start in 25 weeks. He will likely drop back early again at this shorter route while drawn inside two front-running foes.

Everynow And Then - Battled inside one rival for lead through a 21.84 first quarter and kept dueling for command around the far turn in last fifth-place try vs. stretch-running winner dropping down from a \$4,000 claimer. Two outs ago, he dueled for the lead through a similar 21.84 first quarter when second vs. repeat \$2,000 winner Dinner At Jake's.

Whya Da Whya - Battled inside one foe for command through a 21.54 opening quarter, gained a clear lead deep on the far turn and held fourth in last vs. prior \$2,000 winner Dinner At Jake's. Three races back, he raced between horses from the 1/4 to the 1/8-poles before tiring vs. eventual \$2,000 runnerup Impregnable.

Barb Cat - Never got involved vs. much stronger field in first local try nearly one month ago when drifting out around the far turn while competing vs. eventual \$5,000 winner Scotty's Ladd. He displayed plenty of speed in Arizona earlier this year.

Razz Attack - Lacked early speed in last Fresno outing when racing wide throughout while gaining third in the final strides vs. prior \$4,000 runnerup Irish Rover. He scored maiden win under this rider nine races back and looms late threat at this lower level.

Sognatore - Was three wide near the leaders approaching the 3/8-pole and backed up readily past the 5/16-pole in last well-beaten Hollywood Park outing at much higher level while facing prior \$40,000 runnerup Pack Your Bags He was prominent early vs. stronger Fairplex field two races back

Scott's Spirit - Broke clean, was urged early and dropped far back down the backstretch in last outing before making a nice move along the inside from the 1/4 to the 1/8-poles while keeping to his task thereafter vs. prior \$2,000 third-place finisher Phil The Usher. He met repeat \$5,000 winner Why Knot Us at higher level two back and adds blinkers.

Race Analysis

With Corona - Was bumped off stride in the hind quarters soon after the start of last third-place try when keeping to his task in a very wide path. Two outs ago, she was also bumped off stride in the hind quarters at the start. Three races back, she slowly drifted in late when competing in the fastest of six 300-yard dashes on August 14.

Cassidy Cutie - Veered in mildly at the start and kept trying thereafter in last fourth-place try vs. much stronger when competing in the fastest of four 300-yard dashes on October 23. Two outs ago, she veered in at the start and went evenly when sixth vs. eventual Golden State Million Juvenile winner Girlie Man.

AJS Kissntell - Veered out to get bumped leaving the gate, shifted in badly soon thereafter to impede two foes and showed interest during the final 1/16 in last better-than-looked try. Two back, he veered in to get bumped lightly early, drifted inward and never quit trying.

A Hot Check - Didn't break alertly while veering in to get bumped at the start, lost his path quickly, shifted to the outside and finished with run on mind in last fourth-place try vs. prior maiden \$10,000 winner Corona Plus. Two outs ago, he broke fast when recording the quickest of four 300-yard wins on August 27.

Precious Ella Mae - Veered out to get bumped hard leaving the gate, was bumped steadily soon thereafter while dropping out of contention and was not used during the final 1/8 of last fifth-place try at this level. Two outs ago, she was bumped inward hard at the start.

Team Nemo - Broke through the gate, ran off and was scratched from the eighth race on October 31 when entered for \$8,000. He was forced in badly at the start of last to disregard. Two races back, he broke slow after getting fractious before the start.

Hidden Dash - Broke slow and was bumped hard at the start of last to ignore. Two outs ago, she was game third in fast race while competing vs. prior \$10,000 runnerup Miss Kelly Kip. She recorded the second fastest of four 300-yard wins on August 27 three races ago.

Dashin Ways - Broke one length slow and finished running hard in last third-place try vs. stronger field when facing evenetual Golden State Million trial winner R Chump Change and eventual Fresno Futurity winner Oh Jess Fly. He rallied to win two outs ago when getting bumped after an awkward start.

Cesar DeAlba is aboard Skyattic for owners Landeis, Richard and Gaylin.

Race Analysis

Swiss Alpine - Tracked pacesetting third-place finisher to the 1/4-pole, challenged for the lead past the 3/16-pole and drew clear under a hand ride past the 1/8-pole in last win at lower level when shortening stride late. Three outs ago, he steadied back from tight quarters when dueling with one foe for lead to the 5/16-pole.

Dancer Man - Hugged the rail around the far turn and lacked a solid closing punch in last fourth-place try vs. prior \$4,000 fourth-place finisher Skyattic. Two outs ago, he rallied from between horses during the final 1/16 while shifting out to bump a rival near the wire.

Swingin Jim - Was a clear third past the 1/4-pole when chasing the dueling leaders and failed to sustain momentum in last Hollywood Park outing vs. stronger. He won over the 5/8-mile dirt Fairplex oval four races back and should enjoy this class drop.

Seven Below - Was three wide for lead around the far turn and entering the stretch when posting upset victory vs. easier in last while beating prior \$2,000 winner Precaper. Two outs ago, he broke slow, steadied before the 3/16-pole and lugged out slightly wide into the lane.

Skyattic - Drifted wide from the 1/4 to the 1/8-poles and leveled nicely during the final 1/16 of last win over earlier 2010 maiden \$5,000 winner Unusual Soul. Two outs ago, he bobbed out at the start, was fanned wide into the stretch and went evenly late vs. better.

Unusual Soul - Raced outside pacesetter for lead down the backstretch and on the far turn of last improved runnerup showing vs. prior \$5,000 fourth-place finisher Skyattic, one of his foes here. Two outs ago, he lacked room behind rivals on the far turn.

Major General - Hesitated at loading into the gate prior to last sixth-place try vs. stronger when lacking early speed in fast race while facing prior \$5,000 third-place finisher Scotty's Ladd. He was fourth eight back vs. eventual \$2,000 winner Swiss Alpine.

Echo West - Tracked pacesetter to the 1/4-pole and proved stubborn runnerup in last when facing prior \$2,000 third-place finisher Phil The Usher. Two outs ago, he dueled inside one rival for lead to the 1/6-pole and pulled clear. He is one of the pace threats here.

Dinner At Jake's - Retains leading rider and takes on stronger field while seeking third straight win. He defeated earlier 2010 local maiden \$2,500 winner Goochio in last. He outfinished prior maiden \$2,500 winner Everynow And Then two outs ago.

Race Analysis

Spoolish - Lugged inward to the 1/16-pole, was urged six times during the final 110 yards and was taken in hand near the wire on October 16 when getting outworked by 2 1/4 lengths.

Agent Present - Veered in at the start and kept trying in last runnerup try vs. prior maiden \$2,500 second-place finisher A Regal Dash who was posting the fourth fastest of six 300-yard wins on October 22. Two outs ago, he broke a step slow and drifted out past the 1/8.

Flying Expectations - Was a program scratch from the fourth race on October 30 when entered at this level. She lacked a rally from the rail post in last outing when drifting inward during the final 1/16. Two outs back, she drifted in steadily to the 1/16-pole.

Ashley Taylor - Has flashed improvement in last pair and is quick from the gate. She outfinished eventual maiden \$2,500 runnerup Agent Present two outs ago when competing in the slowest of six 300-yard dashes on October 8. Filly has run well for this rider.

All Man - Drops to his lowest class level and ran .01 faster than rival Agent Present did one race earlier on October 22 in last fourth-place showing vs. prior maiden \$5,000 third-place finisher El Mexican Choice. Two outs ago, he was solidly bumped from both sides early.

Im Especially First - Finished .32 behind rival Agent Present in last well-beaten outing at this level. Two outs ago, she was bumped from both sides about 30 yards after the start and lacked a rally thereafter.

Go Check Him SA - Veered out to get bumped off balance while losing the rider soon after the start of last to disregard. He took up after breaking slow and getting bumped leaving the gate two races back. Trouble-prone gelding takes a big class drop.

La Estrellita Light - Has lacked rallies during the final 1/8 of all five outs. She faced repeat maiden \$2,500 runnerup Cashmere Class in last start. Three outs ago, she veered in to get bumped out into another rival at the start before lacking a rally.

RGR Royal Wrangler - Broke okay, was not particularly quick into stride and kept trying while barely missing second in last outing. Two outs ago, he was moving well past the wire when fifth vs. prior maiden \$2,500 third-place finisher MB Diamante.

Race Analysis

Ican'tremember - Finished with big strides during the final 1/16 of last narrow set-back vs. prior \$2,000 winner Heads Up Good Luck, who was recording his 14th lifetime win. He dropped far back early after a clean start two outs ago. Three races back, he forced the pace through a moderate 22.64 first quarter before shortening stride readily during the final 50 yards.

Game Of Luck - Has not run to his past class in three starts here this year. Two outs ago, he angled to the rail before the 1/4-pole and went evenly down the stretch when fifth vs. repeat \$2,000 winner Heads Up Good Luck and eventual Fairplex \$5,000 winner Stand Tall.

True To Summing - May prove elusive target in this pacesetter field. He was a clear third past the 1/4-pole in last fifth-place try five weeks ago when facing eventual \$2,000 winner Phil The Usher while finishing 4 1/2 lengths clear of rival Ican'tremember. He made a clear lead through a 21.50 first quarter in prior runnerup showing. He veered in badly and took up soon after the start three outs ago.

Sock It To 'Em - Was fractious in the gate before getting bumped from both sides about 50 yards after the start of last outing when settling behind the four battling leaders to the 1/4-pole. He eventually angled towards the inside by the 1/16-pole and was moving okay late. Gelding is on the improve and once had terrific early speed.

Tommyland - Broke slow, had no early speed as usual in last and went evenly on the outside down the stretch of last sixth-place outing vs. winner dropping down from a \$3,200 claimer. He was distant second four races back vs. repeat \$2,000 winner Phil The Usher.

Bridge Too Far - Broke slow, moved up along the inside down the backstretch before steadying back from tight quarters near the 1/4-pole and then angled wide into the stretch of last outing six weeks ago. Two outs ago, he stumbled in, lost his path and took up at the start before racing very wide around the far turn. He removes the blinkers that he wore in his last two outs.

Race Analysis

Runaway Genes - Was bumped out at the start and never quit trying under solid urging during the final 1/8 of last improved third-place showing vs. earlier 2010 claiming futurity trial third-place finisher Corona To Toast. Two outs ago, he veered in to get bumped at the start, was floated in past the 1/16-pole and lacked a solid rally.

Delightfulcheck - Was fractious and knocked open her gate door before coming away alertly in last fifth-place out when finishing .10 behind rival Runaway Genes. She was fractious behind the gate two outs ago when going evenly under steady urging during the final 1/8.

Runaway Firecracker - Came away in fair style and was in hand throughout when outworking rival, 12.3-13.3, on October 12. On October 26, she broke okay, was bumped in the early stages, and was floated in thereafter while getting outworked, 12.8-13.0.

Dovish - Didn't break alertly while veering out to get bumped at the start, was bumped again about 20 yards later and drifted in steadily during the final 1/8 of debut 42 days ago. Last August 28, she broke with her head up in the air when second best, 12.7-13.5-12.3.

Im Big And Gray - Gets a positive post switch, drops in class and has leading rider up. He faced prior maiden \$16,000 third-place finisher High Tide in last start. Two outs ago, he lugged in to the 1/16-pole and was sharp third in the fastest of three 300-yard dashes on October 1 while facing eventual maiden \$16,000 runnerup K Syrah.

Lasorpresade R V - Lugged inward throughout and kept trying in fifth-place debut vs. recent \$5,000 winner Smarty Fish. In earlier September 18 drill, she broke fast, lugged in steadily to the 1/16-pole and was well in hand when working alone in good move.

Missile Missile - Finished nicely during the final 1/8 of last fourth-place try vs. prior \$2,500 third-place finisher Phil The Usher. Gelding hails from leading thoroughbred barn and is the lone entrant who finished better than fifth in their last outs. He was game fourth three outs back vs. eventual \$2,000 runnerup Impregnable.
