Conditioner has had an awful time winning races lately. Most ponies make headway in the second start after their first horse racing experience. Fits in well here based on Corey S Nakatani's solid results with 2 year olds (15% wins) over the last month.

Jockey and handler haven't had much recent success together. Jack Carava has the stongest data in this group with starters moving up the class ladder (21 starts, 24% wins, +119% ROI). A racer coming back this rapidly after a sharp race is a good omen.

Can't make a habit of betting on ponies that rarely win. Victor Espinoza has solid numbers with this filly that point to a sharp contender. Jr Robert B Hess brings her back again - advise you stick with this racer.

Have to like that last contest where she ended up strong. Good power rating - likely odds underestimate this mare's probabilities - strong price play. Hard to play this mare today - rider's win percent as of late has been lackluster.

Recently, this trainer has not produced good returns when moving horses up in class (26 starts, 0% wins, -100% ROI). Leonard Powell has solid numbers with this filly that point to a sharp contender. May have to pass on this one - handler hasn't had the best of luck in recent times.

Keep this mare in your exotics as Rafael Bejarano has been very successful with this horse (7 starts, 43% wins). Last win was a romp. A racer coming back this rapidly after a sharp race is a good omen.

When Patrick A Valenzuela and Peter Miller work together - the return on investment has been fantastic. A young horse worth consideration. TrackMaster shows strong jockey stats (57 starts, 19% wins, +63% ROI) with 2 year olds.

Definitely a price play with such a good power rating - might payoff big. Finished in the second half of the pack last time - not a ringing endorsement. Fits in well here based on Art Sherman's very solid results with 2 year olds recently (17 starts, 24% wins, +46% ROI).

This horse really isn't bred to win first time out. This Dam's foals have not produced good board hit percentages in their 1st outing. This colt's rider hasn't been getting a whole lot of wins in recent times.

The jockey and conditioner duo have a profitable return on investment when they partner up. Don't really like the latest attempt - in the back of the pack. Good power rating - morning line odds underestimate this filly's probabilities - strong price potential.
